

INNOVATION NSK K1™ Lubrication Unit

Linear motion made maintenance-free with K1™ Lubrication Units. These patented units provide long-term maintenance-free operation especially in environments where grease replenishment is undesirable or where grease is easily washed away. Fresh, continuous oil flows onto the rail or shaft during operation.

Product Features

- › Long-term, maintenance-free operation
- › FDA approved option available
- › Available on standard NSK linear guides, ball screws, Monocarrier actuators and Robot Modules

Product Benefits

- › Effective in any mounting orientation
- › Ideal for environments where grease replenishment is undesirable or where grease is easily washed away.
- › FDA approved option available
- › Up to 10,000 km without maintenance
 Longer operating life can be achieved. Contact NSK for details.

Condition Description:

- Long Term Lubrication Cycles
- Lifetime Lubrication
- Contamination

Applications:

- › Machine Tool
